

Subject: A Message from Mike Marcketta

After 30 years of proudly serving the Millburn area, I've made the decision to retire and close Marcketta Heating & Cooling. It's been an incredible journey, and I'm deeply grateful for the trust and support you've shown me and my team over the years.

To ensure you continue receiving the same reliable, high-quality service you deserve, I've chosen to partner with Woolley Home Solutions — your local comfort experts right next door in Maplewood.

Woolley Home Solutions is a four-generation, family-owned company that's been keeping New Jersey homes comfortable since 1924 — proudly delivering over 100 years of dependable service. Their team shares our same values of trust, reliability, and personal attention.

Here's what this means for you:

- ✓ Your service will continue without interruption
- ✓ Woolley Home Solutions will now handle all your heating and cooling needs — from maintenance to new installations
- ✓ No action is needed — they're ready to serve you whenever you need them

You don't have to take my word for it — see what your neighbors are saying by visiting their Google reviews [here](#).
